

DANUBE REGION

Summary of Regional Stakeholder Meetings (D 3.2.3)

In the course of the initial desk research project partners collected information and analysed the current situation and framework conditions for Crowdfunding (CF) as well as the alternative finance market development and actors in each of the CrowdStream partner regions (see D 3.1.1 Regional Market Analysis on CF, D 3.2.1 Regional Profiles, D 2.3.3 Map of Regional Stakeholders).

In a next step, through the involvement of active and relevant stakeholders in workshops and meetings, results of the analysis phase were discussed and learnings for further development of the Regional Action Plans and a transnational development strategy for CF in the Danube Region were produced.

This document summarises the most relevant results from the stakeholder involvement activities, which will be a main input for the development of strategical visions for further development of CF environments in all project regions in the Danube area.
