Pole 3

Interreg Danube Transnational Program – Thematic Poles

TP 2 RDI Framework support

TP 3 Entrepreneurial learning system

Thematic Pole 1 - Innovative ecosystem for SMEs Activities

Thematic Pole 1 - Task Forces

Project name related to field	Fields of interest
Made in Danube, DanuBioValNet, Danube S3 Cluster, FORSEDA	 <p> Agriculture (e.g. smart innovative agriculture) Forestry (transformation traditional forestry into bioeconomy, e.g. wooden projects, manufacturing, wood based materials) Farming (e.g. smart innovative farming) </p>
DanuBioValNet, EcoInn Danube, Moveco, Made in Danube, Danube S3 Cluster	 <p> Bio-energy, Bio-based Industry/products/value chains (e.g. bio-based packing, eco-construction, bio-plastics) Bio-fuel (e.g. smart heating and cooling, bioeconomy) Eco-Technology (e.g. renewable energy, photovoltaic power plant, energy saving, bio-refinery, manufacturing products) Waste Management (e.g. recycling, reuse, regenerative resources “circular economy”, sewage & water management), material streams Health (e.g. water purification technology, phyto-pharmaceutical Industry) </p>
Smart Factory Hub, FORSEDA, InnoHPC, EcoInnDanube, DanubeBioValNet, MOVECO, CrowdStream	 <p> IT (e.g. smart cities, Energy efficiency, high performance computing, smart manufacturing, manufacturing methods, smart supply network, cybersecurity) Electronic, electrical tools (e.g. intelligent sensors/products) Automotive (e.g. E-mobility, VR, digital transformation) </p>
CrowdStream, Accelerator, Smart Factory Hub	 <p> Crowdfunding (public/private business support and alternative financing, cross border crowdfunding, Start-up financing) Accelerators, Access to finance for SMEs and Start-ups </p>
KnowING IPR	 <p> Intellectual property rights (IPR) (IPR analysis, IPR management, commercialisation of research, technology transfer), knowledge engineering, automotive sector, HEI and RI sector </p>

Outputs, impact and next steps of the Thematic Pole 1 Capitalisation

Participation in SG/WG meetings

Contributing to objectives of PA 8

Enhancing visibility of projects

Participation in workshops

Strategy and cross-project knowledge exchange

**Thank you for your
Attention!**
